A permit becomes null and void if work or construction authorized is not commenced within 60 days from the date of issuance, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. All permits require final inspection.

A certificate of occupancy must be issued before any building is occupied.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. Violations of the terms and conditions of City Ordinance and/or Codes adopted by the City can result in a criminal or civil penalty.
